WCN Clubmatch 2011
Cardigan Welsh Corgi

Franeke 3 september 2011

UITSLAGEN

**Kampioenschapsclubmatch
3 september 2011**

Franeke

MERA[®] DOG

Graag willen we iedereen bedanken die op zaterdag 3 september 2011 de WCCN-Kampioenschapsclubmatch in de "De Trije" in Franeker heeft bezocht.

We kunnen terugkijken op een geslaagde en gezellige dag. Het was een echt clubgebeuren en er heerste een sportieve sfeer. Keurmeester voor deze dag was Mrs. Margaret Aynscough uit Schotland, die met veel plezier onze Cardigans heeft gekeurd. Onderstaand treft u haar verslag aan.

Het bestuur is er trots op dat we dit met zijn allen hebben neergezet; exposanten, sponsors, bezoekers, onze medewerkers en mijn medebestuurleden.

Onze complimenten aan jullie allen!

Met vriendelijke groet,

Het bestuur van de Welsh Cardigan Club Nederland (WCCN)

WCCN CHAMPIONSHIP SHOW 3rd September 2011-09-05

To the Officers and Committee of the WCCN, I would like to thank you all for inviting me to judge at your show, and also all the help and guidance given to me prior to the judging; this was my first overseas appointment and I did not know the FCI rules.

The venue was wonderful for dogs and competitors, a lovely big airy Sports Hall with a very good surface and amenities.

I thoroughly enjoyed my day and hope I did ok, I would like to thank you all for your generous friendly hospitality especially Jeanne and Arnold for putting up with my daughter and I for the 3 days, I hope we did not exhaust you too much.

I found the standard of Cardigans at the show very high, nearly all the dogs of a good size with enough front leg length to be able to do the job

they were bred for, it is no good being too low to the ground, they get stuck in the mud!!!

Most of the dogs were in hard condition, only one or two I felt needed more exercise to firm up, which could help tighten feet and help their movement.

Coats were a concern of mine, most of the dogs had a good weatherproof coat which is a must in a working dog, the breed standard requires a short to medium coat of a hard texture with a good undercoat, a few had soft coats which were inclined to be bordering on long/ fluffy.

I know the breed standard states any colour except prominently white, but I have had experience of merle dilutions in Border Collies and am very wary of the merle variations beyond blue, even though they can be beautiful dogs, I have had problems with puppies fading and other health issues and I do not want to encourage that anyway.

Thank you again for your hospitality.

Margaret Aynscough.

Wij bieden u een groot assortiment honden- en kattenartikelen tegen scherpe prijzen. Kom bijvoorbeeld eens kijken naar ons mega-assortiment halsbanden, looplijnen, manden en speelgoed.
